

ResourceSmart Schools offers schools practical support to embed sustainability in their operations, curriculum & culture.

ARE YOU...

- ✓ someone passionate about PRACTICAL sustainability?
- ✓ wanting to provide REAL-LIFE LEARNING experiences for your students?
- ✓ keen to EMBED sustainability in everything students do?
- ✓ a champion of young sustainability LEADERS within your community?
- ✓ enthusiastic about helping your school be efficient and EFFECTIVE with its resources?

Become part of a community of schools taking action to minimise waste, save energy and water, promote biodiversity and reduce greenhouse gas emissions.

AWARD WINNING, FREE PROGRAM FOR SCHOOLS

Gippsland-based Sustainability Facilitators are ready to work with you to tailor ResourceSmart Schools to suit your school's needs and aspirations.
